

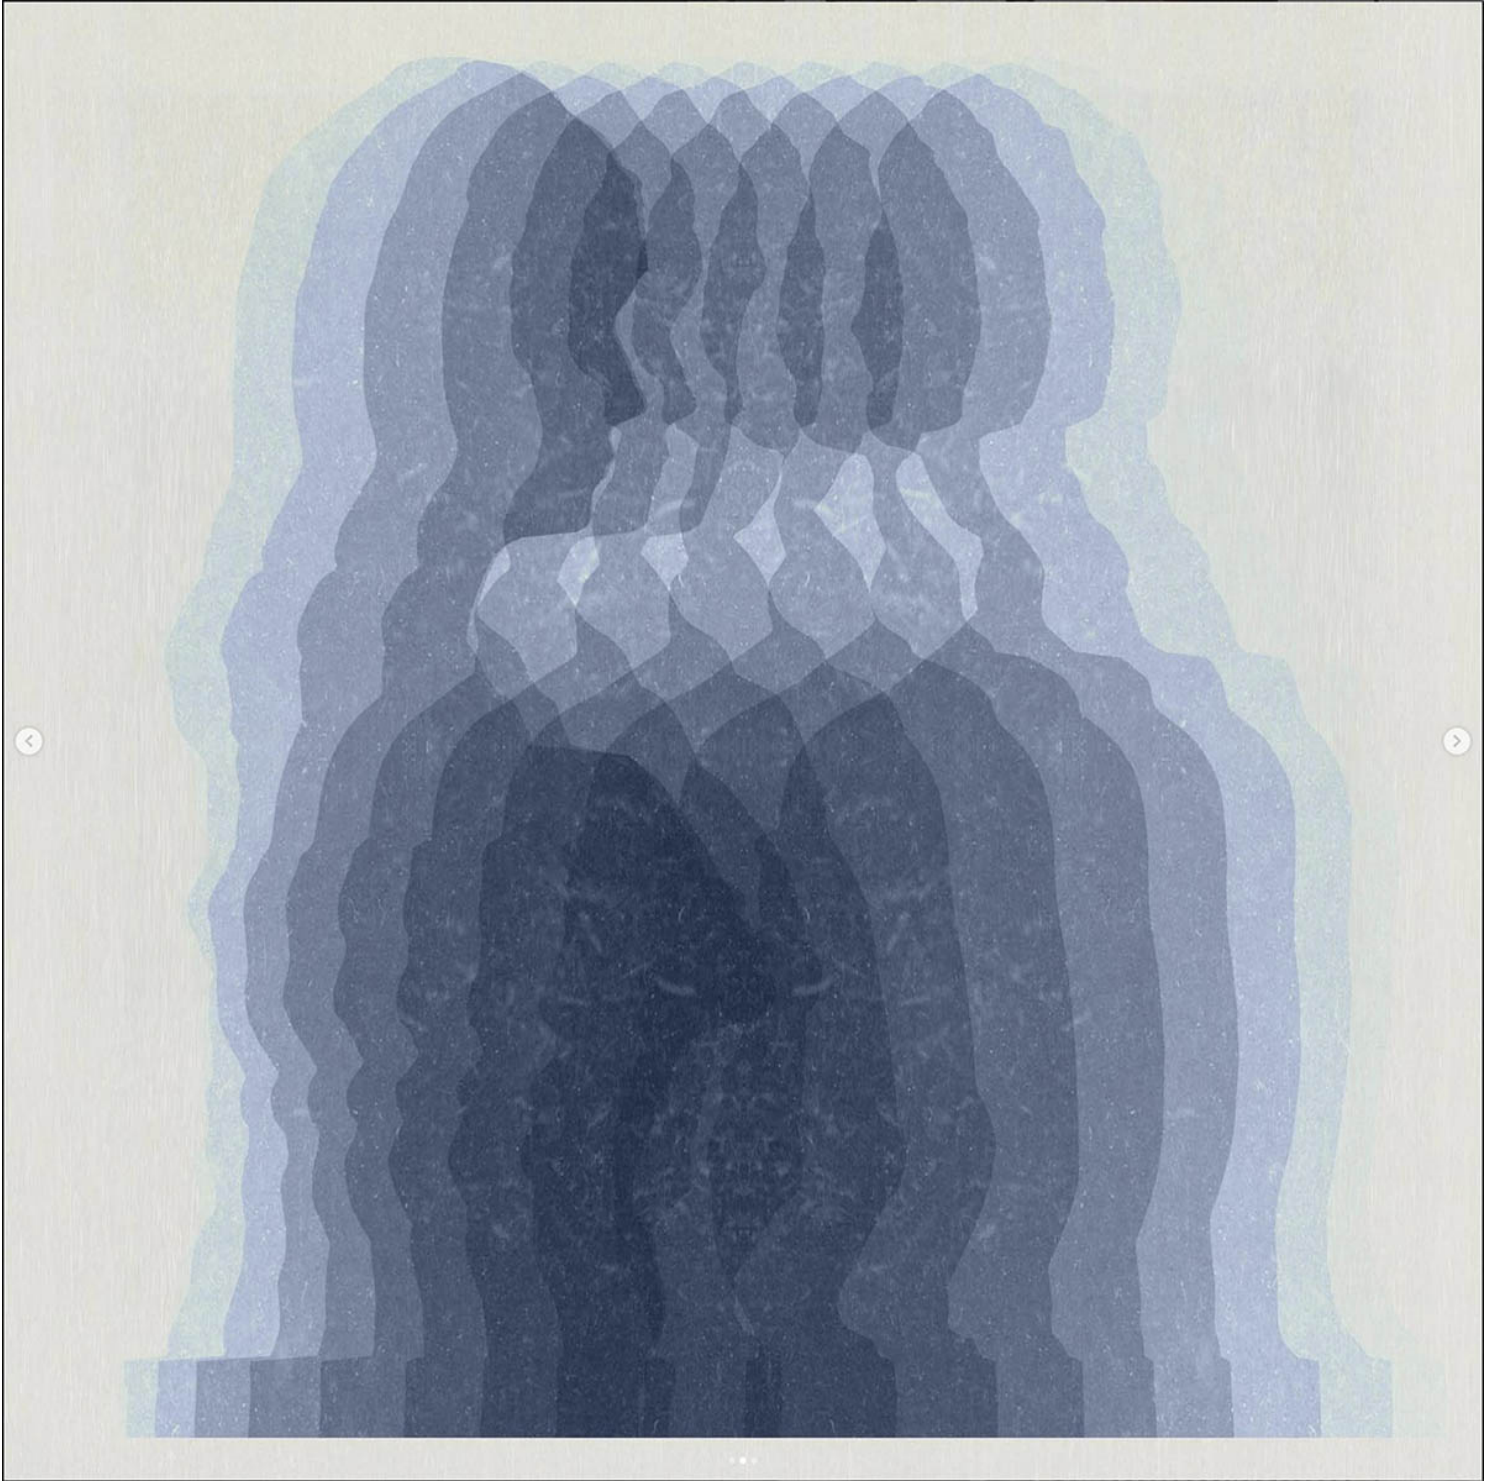

**Figure 1:** *Animation of silhouettes swimming on a sphere.*

**Figure 2:** *Animation of many shadows of a rotating sculpture.*

**Figure 3:** *Animation* where the two silhouettes change places as two negative spaces are rotating.

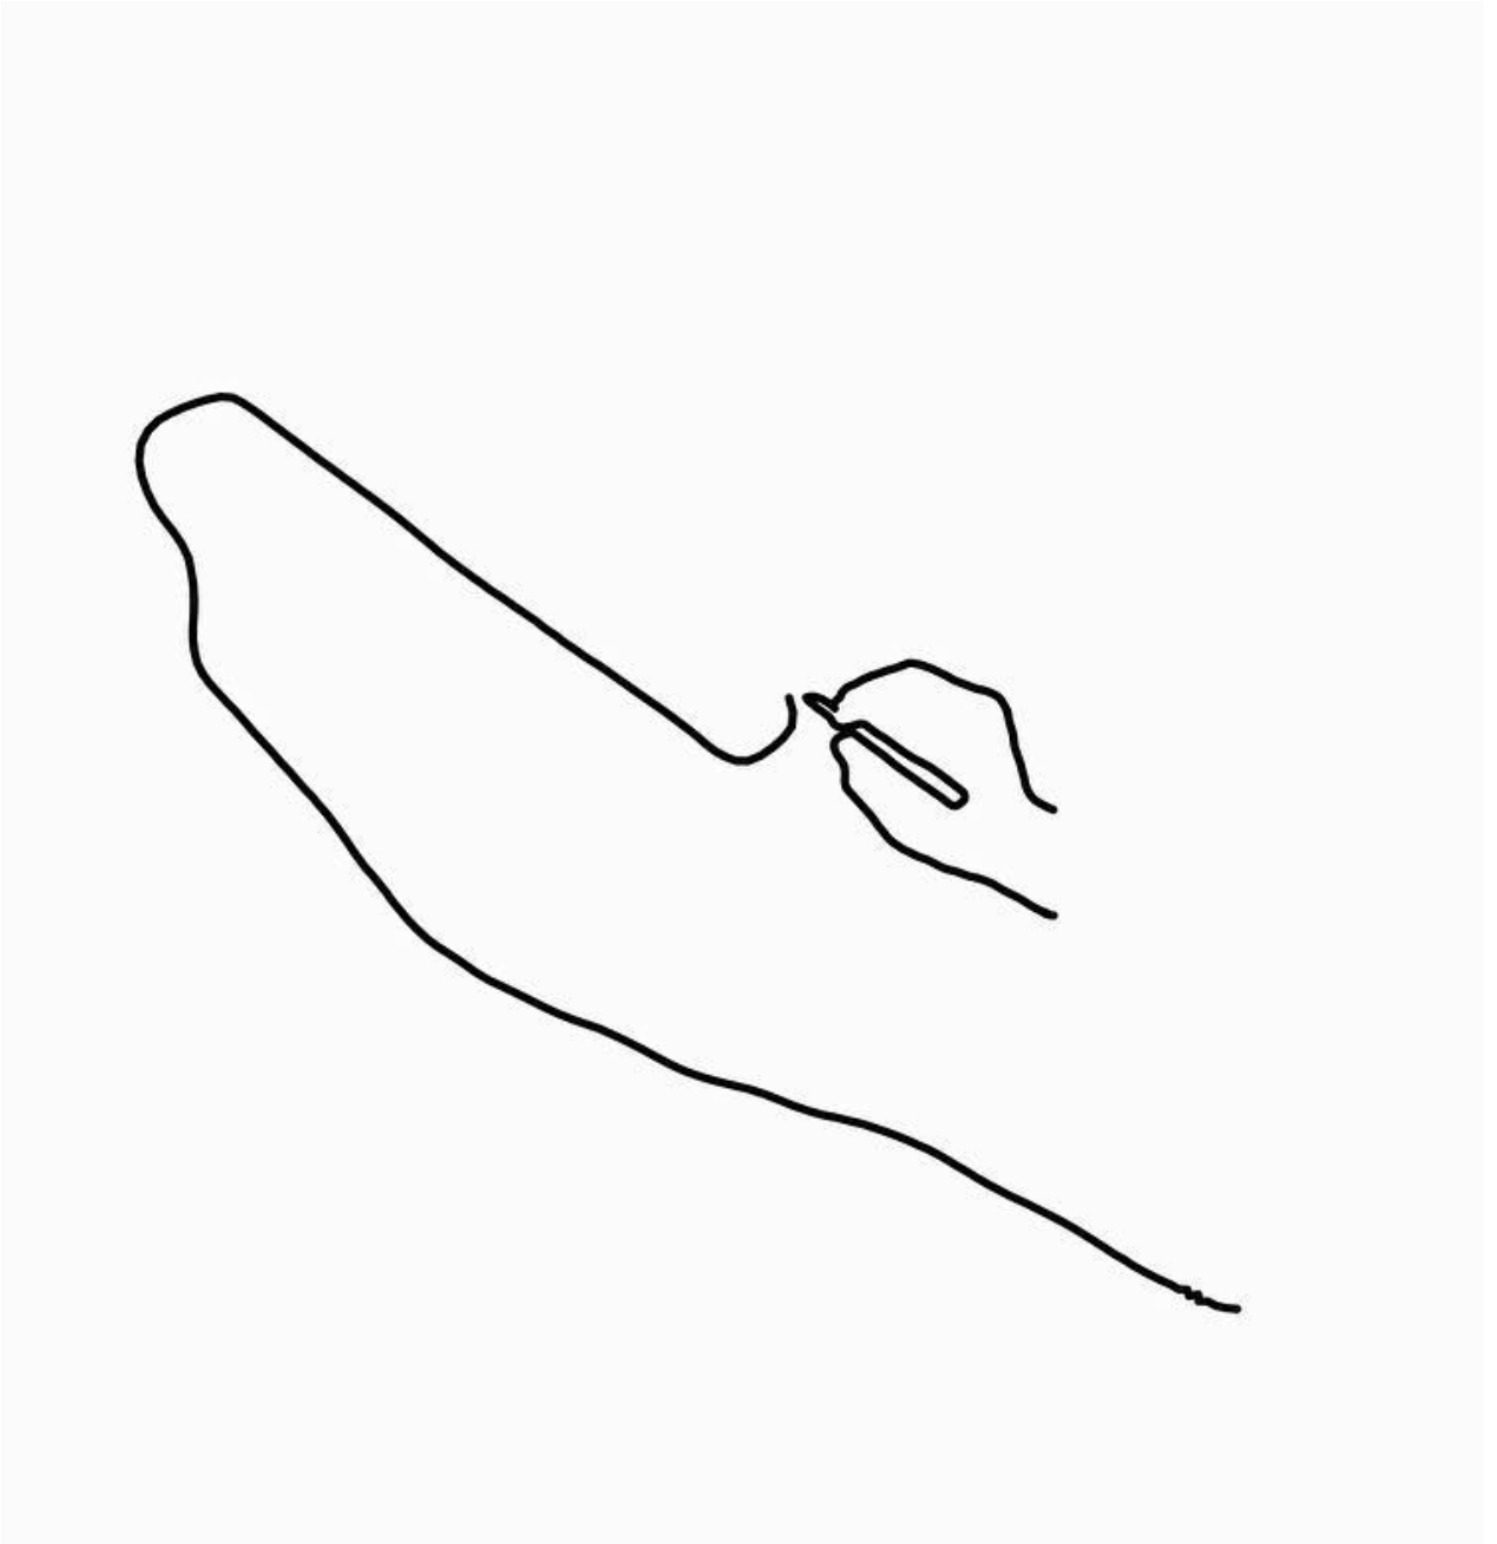

**Figure 4:** *Animation* of figures mapped onto a cylinder and projected onto a chessboard using a figure ground reversal technique.

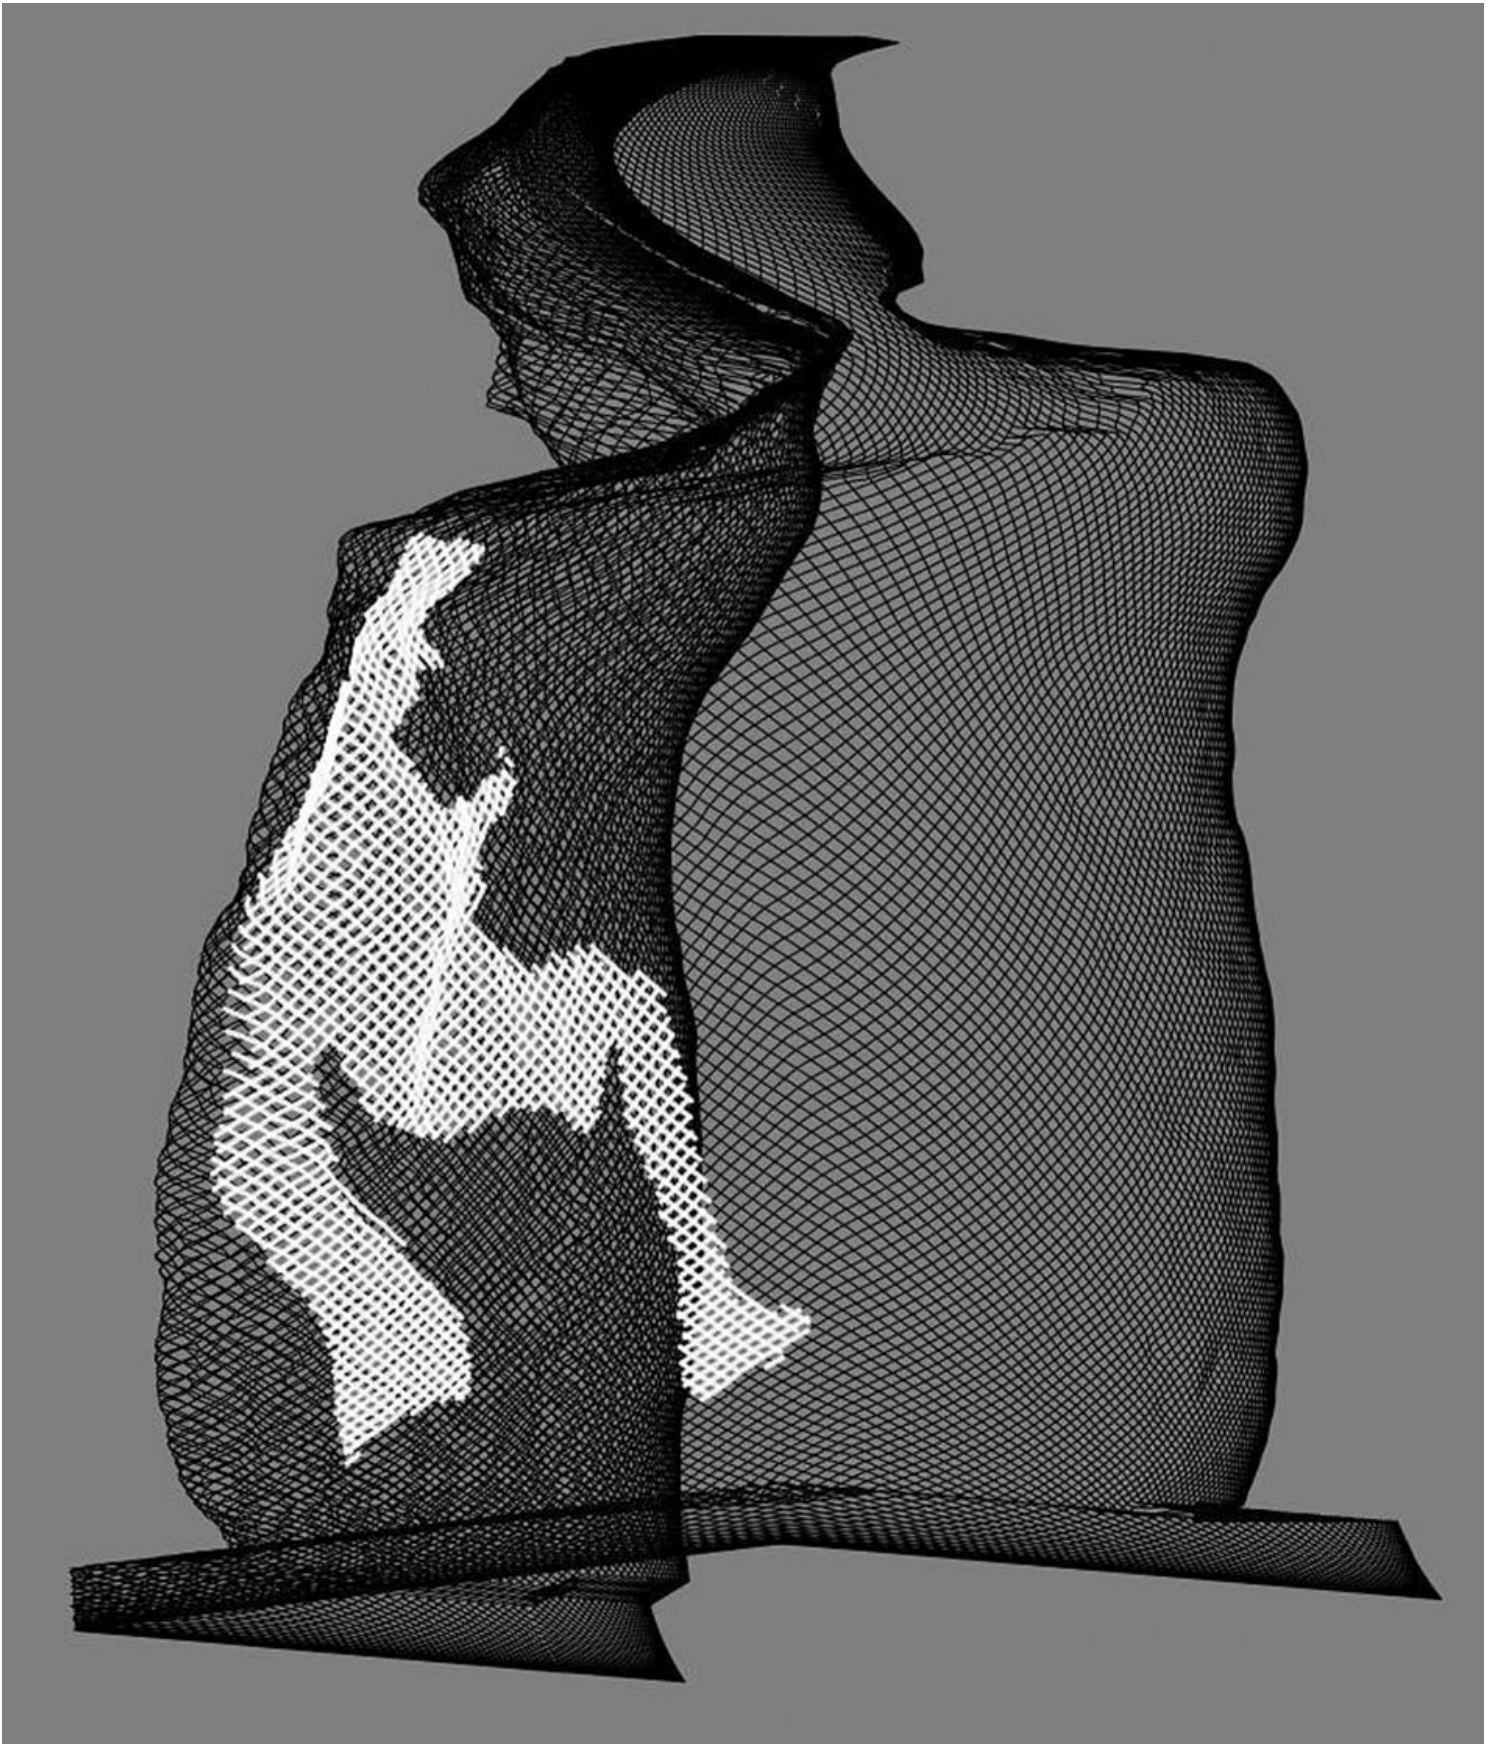

**Figure 5:** *Animation* of two silhouettes transforming between each other and the negatives of each.

**Figure 6:** *Animation* of hand drawing a larger version of itself and then shrinking and starts again.

**Figure 7:** *Animation* of a drawing projected onto a sculpture represented as a wire mesh.
